A NOTE FROM ERIC...

I would like to bring your attention to a couple of dates that have been added to the calendar since our last newsletter.

SPOTLIGHT - CITY OF MOBILE - MARDI GRAS CLEAN UP

On February 16, 2017, the Executive Committee held its monthly meeting in Downtown Mobile, and afterward was able to witness first-hand the enormous cleanup effort performed by the City of Mobile Public Works Department after the Order of Polka Dots Mardi Gras parade. What a tremendous task by the Mobile Public Works employees to clean up the parade route for each and every parade held in Mobile during Mardi Gras season! Thank you to John Windley, recently retired City of Mobile Public Works Superintendent, for recognizing these employees in this important service provided to the citizens of Mobile!
