

PROJECT OF THE YEAR AWARD

The Alabama Chapter of APWA has established a Public Works Project of the Year Award to recognize an outstanding Public Works project and promote excellence in Public Works in the State of Alabama.

This award is intended to recognize the managing agency, the contractor or in-house department and/or consultant/architect/engineer who worked together to complete the project on any physical structure or facility owned and maintained by a public agency.

For project nominations, include information on the project, any unique aspects of the project, budget information, grants, partnerships, schedule and photos.

Project categories include, but are not limited to: Roads, Bridges, Drainage Structures, Public Structure Preservation/Rehabilitation, Parks, Municipal Buildings, Waste Disposal, Fleet Maintenance, Treatment and Recycling Facilities, Disaster or Emergency Construction/Repair, Historical Restoration/Preservation, Streetscape/Landscape, Sidewalk and Utility Maintenance.

Criteria to be used in the selection process include:

1. Use of good construction management techniques, innovation, teamwork and customer service.
2. Safety performance and awareness of the need for a good overall safety program during construction.
3. Community relations as evidenced by efforts to minimize public inconvenience due to construction.
4. Demonstrated awareness for the need to protect the environment during the project.
5. Unusual accomplishments.
6. Additional conditions deemed of importance.

Eligible projects must have been completed and available for public use in the **previous calendar year**.

The Executive Committee of the Alabama Chapter of APWA will review the applications and select the award winner. A designated representative of the public agency will be presented a plaque at the Annual Summer Conference held in July at Gulf Shores/Orange Beach.

Application deadline is May 5.
